

## THE PIOUS AURA OF NAVRATRI AND DURGOTSAV

07th October 2024 marked jubilation on the part of Army Public School Barrackpore Community with the school choir signalling a unique cultural display 'Ya Chandi' that held mirror to a fragment of Bengali culture - the grand occasion of Durgotsav. The solemnity of the occasion found expression in the enchanting of hymns, rendition of music and the cadence of dance. The bravura of the learners earned plaudits of one and all. The day also witnessed an exuberant observance of Navratri by the students of the foundational group in the form of dance representations of the victory of the feminine divinity symbolising goodness over Ravana symbolising evil in a combat and the symbolic burning of the effigies of Ravana, Meghanath and Kumbhakarna. The day will be reminiscent of the virtuosity of the learners and the dedication of the mentors in grooming them.
